'BOLDT GALA

BUSINESS, GLAMOUR, HAUTE COUTURE

2025 Annual Awards Gala

Join us as a sponsor of the Greater Eureka Chamber's 2025 Awards Gala as we celebrate some of our region's most inspiring business and community leaders. Taking place at a dressed-up version of The Acres on January 31, the 'Boldt Gala is inspired by a certain Fifth Avenue fashion and fundraising gala. Your guests are invited to dress to impress in their most creative and chic attire. They will enjoy inspiring stories from our honorees, engaging entertainment, custom cocktails and mocktails, and tapas-style nosh from a variety of Chamber Members.

This is not your typical event - instead of "tables", we are offering blocks of tickets with your sponsorship, fostering expanded opportunities for your guests to mix and mingle with other community leaders.

We expect this event to sell out, as it has the past two years, with an attendance of 400 leaders.

Founding Investment Opportunities

The Redwood Coast Chamber Foundation (RCCF) is a 501c3 nonprofit in formation fostering inclusive economic and community development for California's North Coast. As a result of our work, local businesses, nonprofits, schools and community members have access to expanded programming designed to support regional economic growth and resilience.

Current RCCF initiatives include Leadership Redwood Coast and Next Level. Additionally, RCCF will serve as a fiscal sponsor for other North Coast Chambers of Commerce. As 501c6 nonprofits, Chambers of Commerce are not eligible for most funding opportunities, thus are often limited in the services and programs they can offer. With RCCF's fiscal sponsorship, local Chambers across the North Coast will have opportunity to expand their programs that align with our mission and serve local communities.

With the capability to be nimble and responsive, and a deep commitment to collaboration, we are in active conversations about additional potential opportunities including: support of Latino-owned businesses and organizations; helping place North Coast students in work-based learning opportunities; a collaborative program to engage diverse, locally-owned businesses in the offshore wind supply chain; and building business and nonprofit disaster resilience. These initiatives, and potentially others, will be developed as funding and human resources become available.

Cámara de Comercio Humboldt

The Cámara de Comercio Humboldt is an emerging program of RCCF, created at the request of Latinx business owners and community members. This membership-based program will support Latinx-owned/managed businesses and the community to expand economic opportunity, in collaboration with other organizations that offer business services and outreach.

The Cámara de Comercio has a permanent Advisory Board representative of the community being served which will actively inform and support its development and ongoing programs and services.
