

A MESSAGE FROM YOUR CEO

I remember standing in front of you all last year at our annual dinner and membership meeting, excited to share that we had moved to our new home Business HQ. My report included all of the great work that was being done by our committees, ambassadors, Board and staff to ensure the support and growth of you, our members. 2020 held so much promise.

Then came Covid – and we knew that we had to act quickly to find ways to be here for our community, and determine how best to do that. We were fortunate to be invited to participate in daily meetings of local business leaders as part of the CERC Committee, and our standard ways of doing businesses changed, but we found our stride, and we committed our resources to supporting you.

There are many people that need to be thanked in 2020. I would like to thank our outgoing Board and Board Chair, Jennifer Budwig. Thank you to our committees and staff. But above all, I would like to thank you, our members. You engaged with the Chamber like never before. Reaching out to us with your needs, sharing your concerns and supporting not just the Chamber, but each other and all local businesses. You embraced safety and best practices in order to do all that we could to keep our businesses open. You enthusiastically embraced the #Choose Humboldt and #EAT #DRINK #SHOP #SUPPORT local businesses, and together we managed to fare better than most communities. But it was not easy.

So now we congratulate you on still being here doing business in what had been a once in a lifetime crisis.

I would like to give special thanks to our **Premier members** that supported all of our programs of resiliency. You are invited to **[view my annual report, HERE which shares in part the highlights of what we achieved in 2020 and our vision for 2021.](#)**

We are here for you more than ever. Please lean on us for resilience and growth this year. Reach out to us and participate in our new programs including hands-on training and support to elevate your e-commerce presence. As we can re-open, we invite you back to business HQ to enjoy our meeting and training rooms, lean on us for advocacy and bring your concerns to us for action, and participate in our promotions to elevate your visibility.

We, as a community, are stronger as a result of these hard times, and we are looking forward to a brighter and prosperous 2021.

The Eureka Chamber would like to thank its Diamond Premier Members, Advanced Security Systems, Bear River Casino Resort, and Chevron, for sponsoring this event. It wouldn't have been possible without your continued level of support. We would like to thank the local restaurants and hospitality partners that participated and provided our event attendees with a variety of exquisite dinner selections: The 6th and E Neighborhood

Eatery, Brick & Fire, Cafe Nooner, Cassaro's Catering, Gabriel's, Old Growth Cellars and the Humboldt Bay Bistro, Ramone's, and The Sea Grill.
