The Eureka Chamber Team: Susan Gillespie, Carly Wipf, Heather Bitner and Nancy Olson

Your Chamber Working for You

Summer Greetings!

As is the case throughout the year, our team is busy as ever planning and delivering on initiatives to serve your business. *Here's a look behind the scenes!*

The Chamber's planning is informed by conversations with literally hundreds of individuals representing a broad spectrum of Chamber members. Of equal importance is the Chamber Member Survey completed in April. We are pleased to share with you the results of that survey, which you can access [here](#).

Our strategic plan is nearly completed, which will serve as a road map for our work in service to you over the coming years. We will focus on building programs that directly address member needs, expanding and diversifying our membership, and ensuring organizational sustainability.

We will also begin working on our updated advocacy policies and positions in August. If you would like to be involved in this process, we invite you to [join one of our committees](#).

Recently, we updated our Chamber Member [Terms and Conditions](#). Nothing has changed – just addressing some questions that come up from time to time! We will also be updating our Business Member benefits this fall, to include new opportunities for your business. (Our Premier Member benefits were updated earlier this year, and can be explored [here](#).)

This may seem like the mundane part of Chamber business, but it is the foundation on which we build our services for you, our members. We truly appreciate your partnership, and the honor of working for you.

May you be well.

Chamber News

Meet Our New Team Member!

We are thrilled to announce the hiring of our new Marketing and Office Coordinator, Carly Wipf.

Carly brings experience from her previous career in media, a great attitude, and a love of photography!

She will be greeting folks at the front desk, designing posts for our social media, answering phones, and booking meeting room reservations.

Have a question or want to reserve a meeting room or the co-work space? Email her at carly@eurekachamber.com.

Welcome to the team, Carly!

Step Up Your Power Skills
